Who is She....?

- The most powerful person in India...is a woman
- She does not hold position and is not power hungry
- She carries a time honoured legacy in trusteeship
- She believes in values and has strong opinions
- She has made possible the most significant economic development witnessed by this country
- Even the Prime Minister listens to her
- She is.....

Oops....!

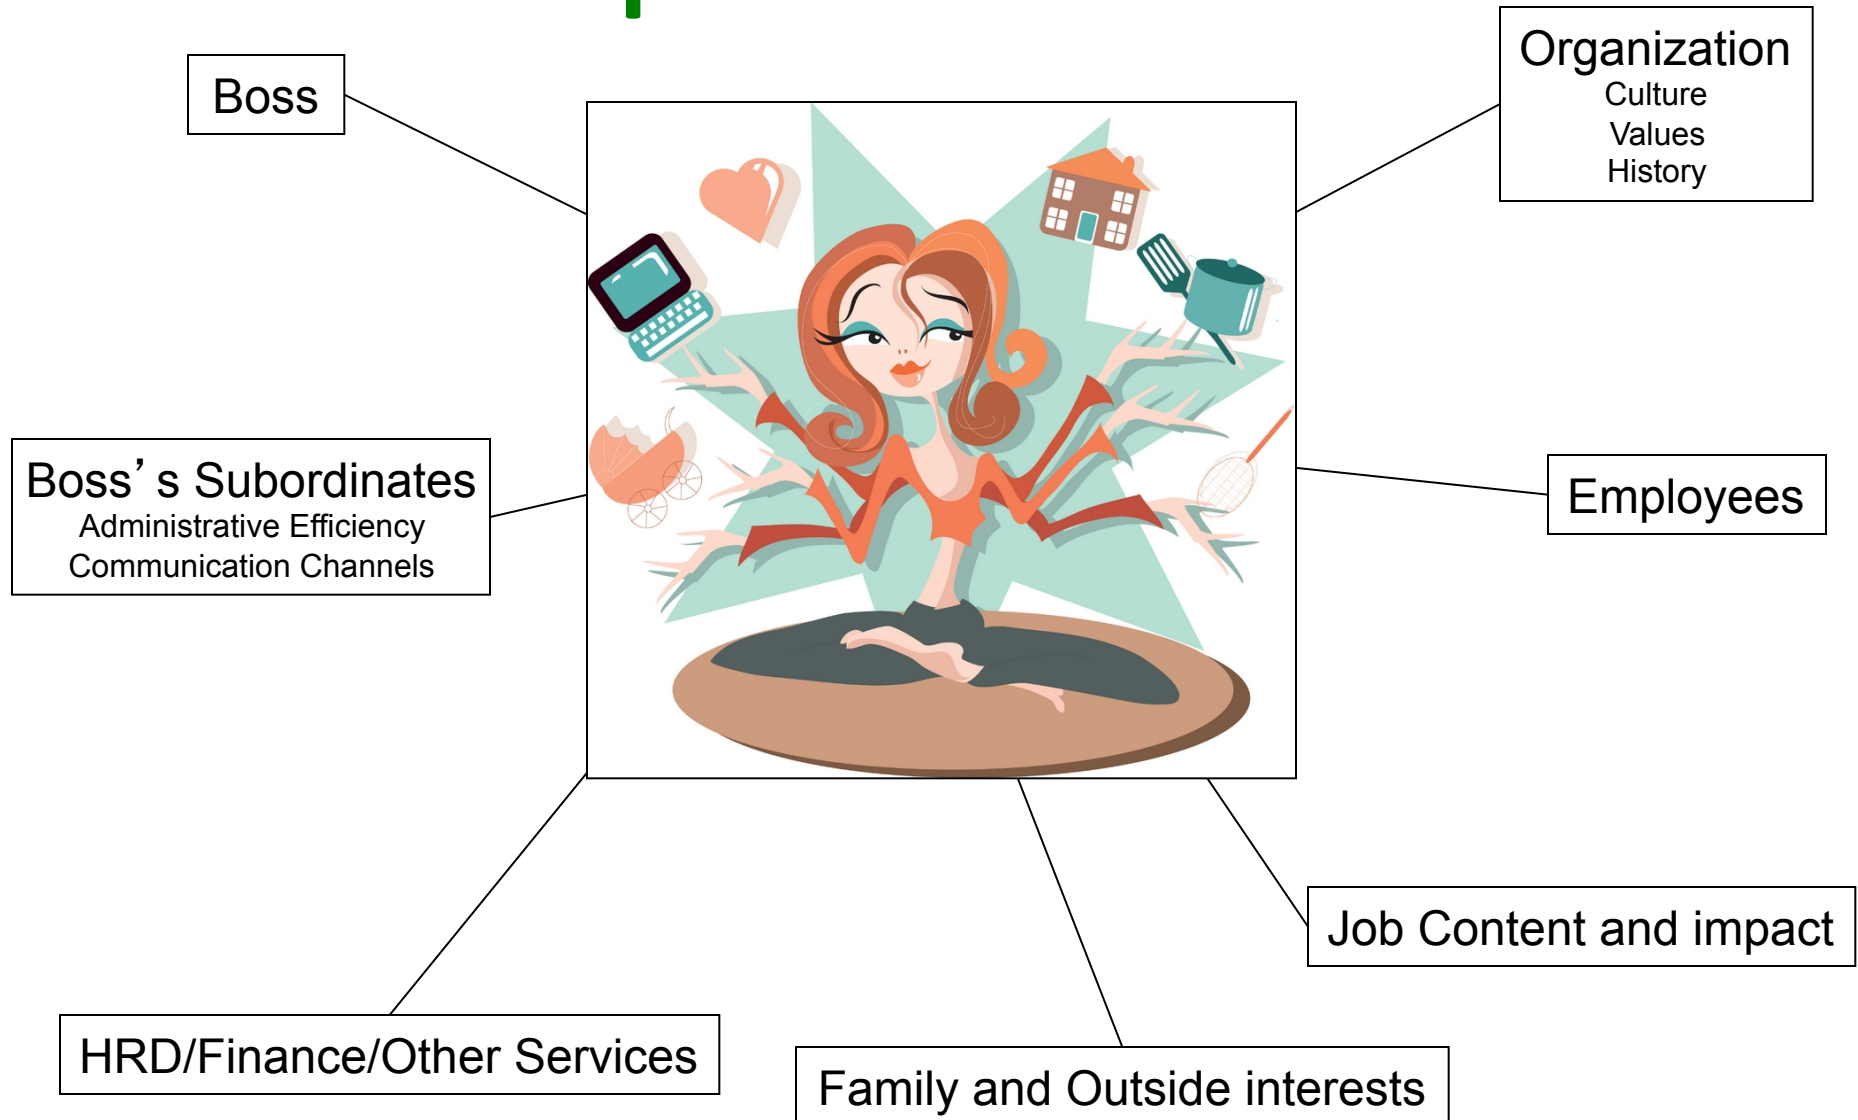

Wait a minute....!

Got it right at last!

Multiple Role Interfaces

Dependency Syndrome

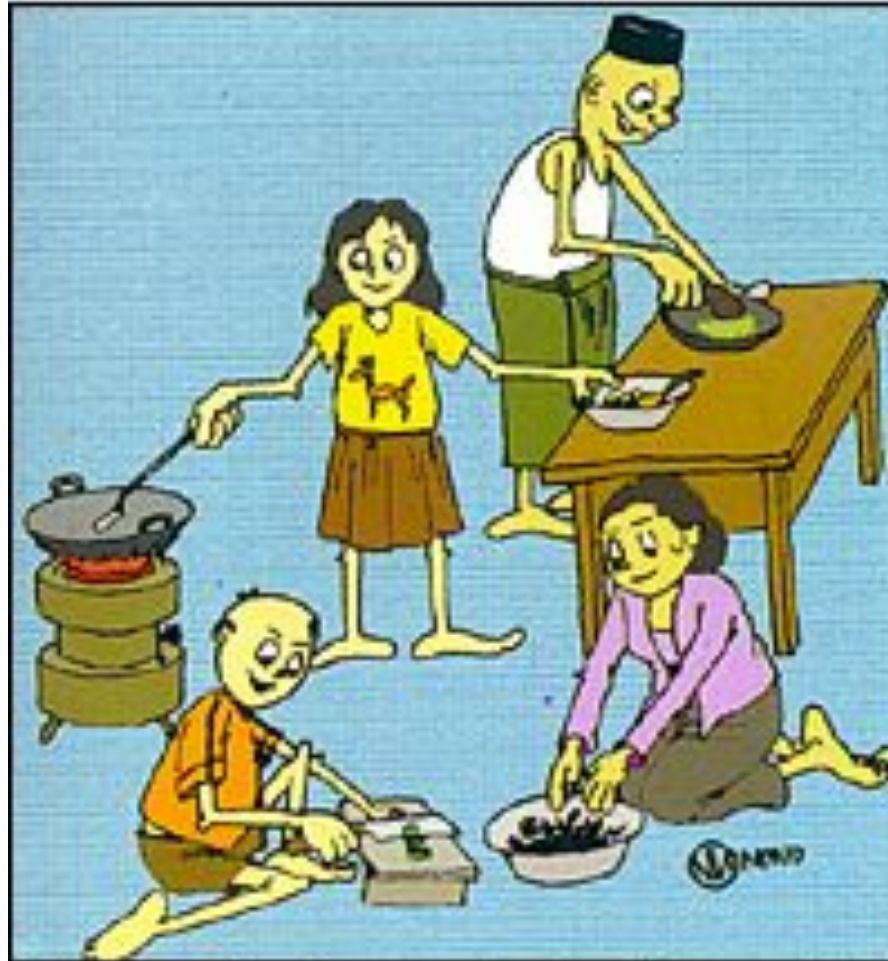

Collecting Brownie Points

Symbiotic Relationships Develop

Idealistic world does not exist

Caught in Company Politics

Getting Caught With Stereotypes

Men Feel Threatened By Women

Compromise On Organisational Interests

Power Struggle Between Men and Women

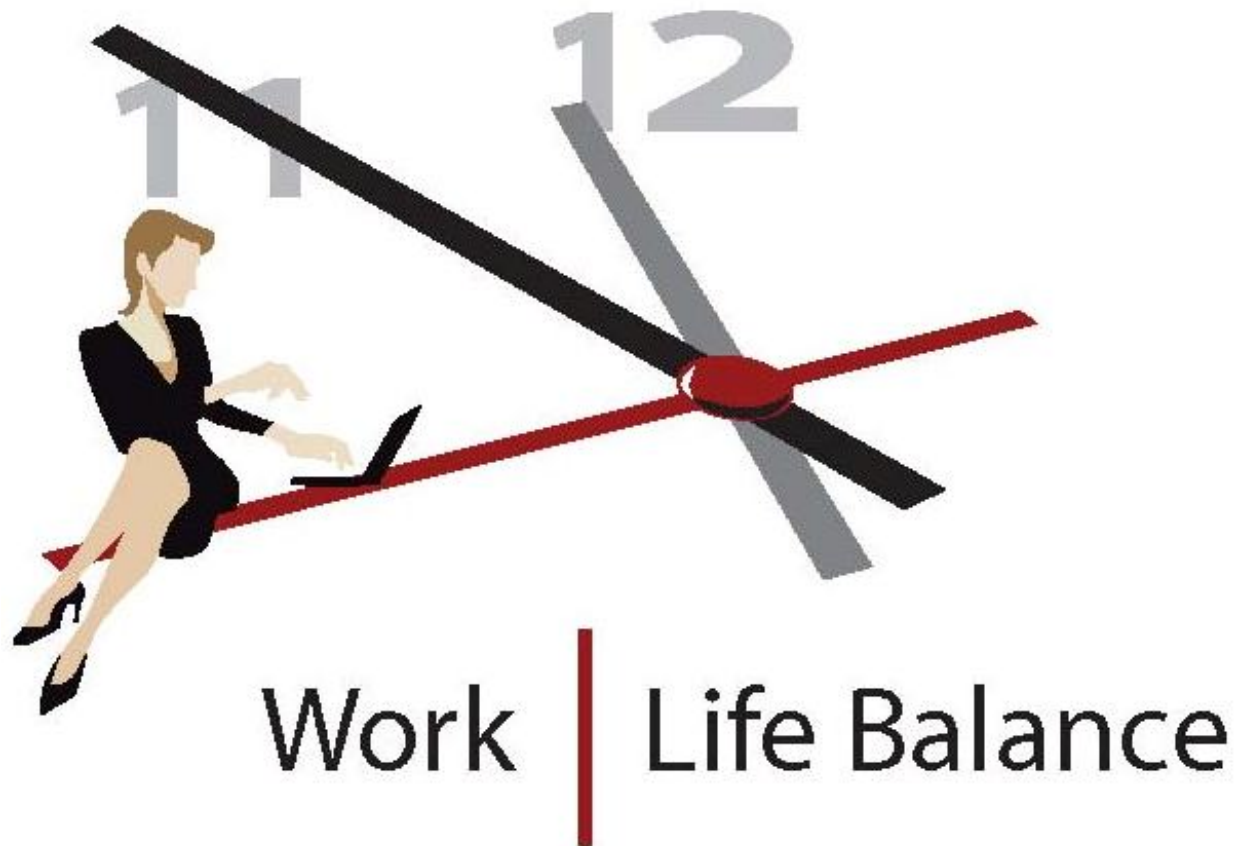

Staying On Top Of It All

There's a Super Woman inside

Live Life and Manage Work

Some Cartoons to Enjoy

Enjoy....

Enjoy some more....

"I probably should have asked you before the date, but you are a woman aren't you?"

Last Laugh!

Thank You
